As the Tanger Center prepares to host live events in the future, we continue to follow state and local health guidelines to open the brand new theater. The safety of our patrons, staff and performers is of utmost priority to us. From installing a state-of-the-art GPS air filtration system to following Guilford County Health Department approved reopening plans, our staff is doing everything possible to provide the safest environment for the return of live entertainment.

The Tanger Center would like to thank the Triad community, especially its patrons, donors and Season Seat Members, for their continued loyalty while we work through these unprecedented times.
